Alan:

Now that the newly redesigned Southern Pine Council web site is up and running, I'd like to take this opportunity to tell you how much we appreciate Rosa Go's contribution to this project. Working with Rosa was just delightful. Her enthusiasm was contagious, and her technical skills were impressive. She was always willing to help correct little problems, no matter how picayune, and always had good suggestions when we encountered obstacles. You've got a good one, Alan, keep her.

Sincerely,

Steven C. Bean
Vice President, Marketing
